Research Infrastructure and Equipment Wish List

FHMRI would like to develop and maintain a wish list of research infrastructure and equipment to take advantage of ad hoc funding opportunities and strategic planning.

If you identify a need for your research program, and ideally for others' as well, please fill in the information below and email to fhmri@flinders.edu.au

Name:

FHMRI Theme and Research Program (if applicable):

Nature of request:

If other, please specify:

Name of item(s):

Please describe the equipment/infrastructure and its use (max. 200 words)

Please outline the need for this equipment/infrastructure and what other researchers, if any, would be using it (max 300 words):

Estimate of cost and supplier(s):
