

Funding period: **January – December 2023**

Closing date for applications: Please apply at your earliest convenience within the 2023 calendar year.

1. Purpose of Research Student Maintenance

- Research Student Maintenance (RSM) is offered by the College Research Committee. It assists with the cost of research projects being undertaken by Postgraduate students completing a Higher Degree by Research (HDR).
- The RSM allocation is a grant-in-aid for maintenance and consumables. The amount offered is a contribution to the total maintenance costs and may not cover all expenses associated with a HDR research project.
- A HDR student is eligible to apply for up to \$2000 per year of FTE candidature to a maximum of \$6000 during the normal enrollment period (up to 3 years for PhD; 2 years for Master of Science by research or Master of Surgery; 1 year for Master of Clinical Education by research)

2. Eligibility

- RSM will only be awarded to candidates enrolled in a Higher Degree by Research in the College of Medicine and Public Health.
- Students will not normally be eligible for RSM after the third full-time equivalent (FTE) enrolled year of a PhD, or after the second FTE enrolled year of a Masters degree.
- Students who upgrade their Postgraduate qualification (eg from Masters to PhD) are only entitled to a maximum of three FTE years of RSM. (I.e. the years spent on the former degree are counted towards the third year FTE RSM limit of the PhD).
- The RSM allowance is calculated as follows:
 - Full-time students enrolled for two semesters in one year will receive the maximum allowable amount of RSM;
 - Part-time students will receive half the maximum allowable amount of RSM;
 - Students enrolled full time for one semester will receive half the maximum allowable amount of RSM.

3. Acceptable use of RSM funds

- First year Postgraduate Higher Degree by Research students may elect to receive a new laptop computer for use during their candidature. The College RSM Administrator will process these RSM requests and allocate funds (equivalent to one year FTE of RSM) to the supervisor. The supervisor accepts responsibility for purchasing, dispatching and maintaining laptops loaned to Higher Degree by Research students. This must be done in accordance with College procedures and [Flinders University Information & Digital Services \(IDS\) procurement guidelines](#).
- The RSM allocation may also be used for:
 - Chemicals /reagents
 - Subject payments
 - Minor equipment
 - Photocopying
 - Software
 - Slides, microfilms
 - Stationery, disks, tapes
 - Computer ink
 - Transcription
 - Survey questionnaires
 - Travel within Australia to attend Flinders University for Research Week
