# Login to Adobe Acrobat using a Named User License
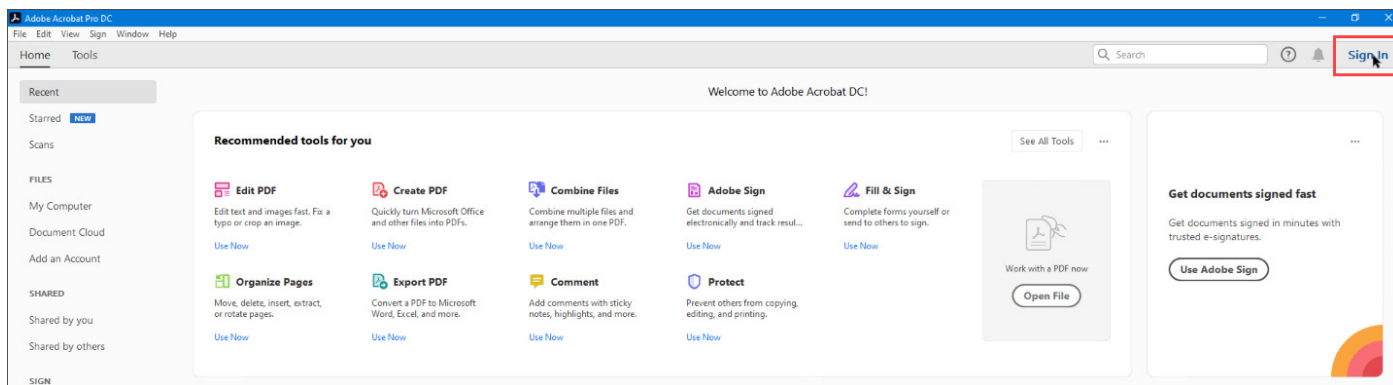

## Introduction

This guide will assist you in logging into Adobe Acrobat Professional and to assist in converting an existing Adobe Acrobat Professional installation over to a named user license in preparation for 30th November 2020 when the Universities agreement with Adobe changes.
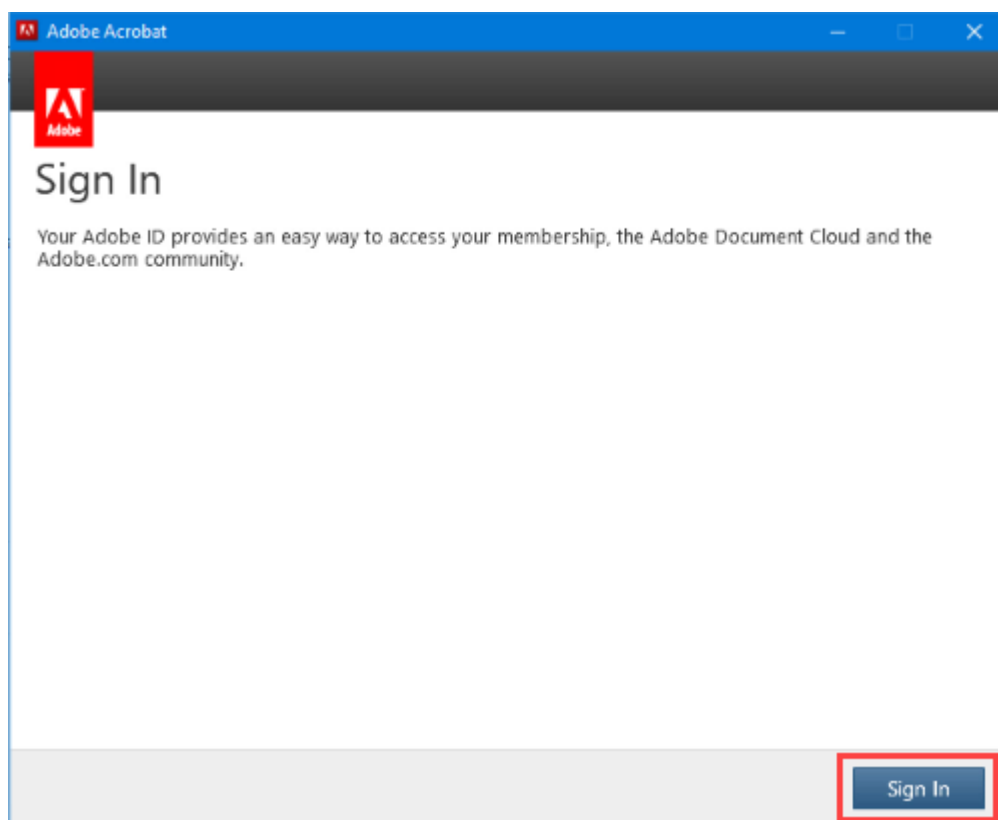

## Procedure

1. Launch Adobe Acrobat Professional from either your Windows or macOS device, the process on both is the same.
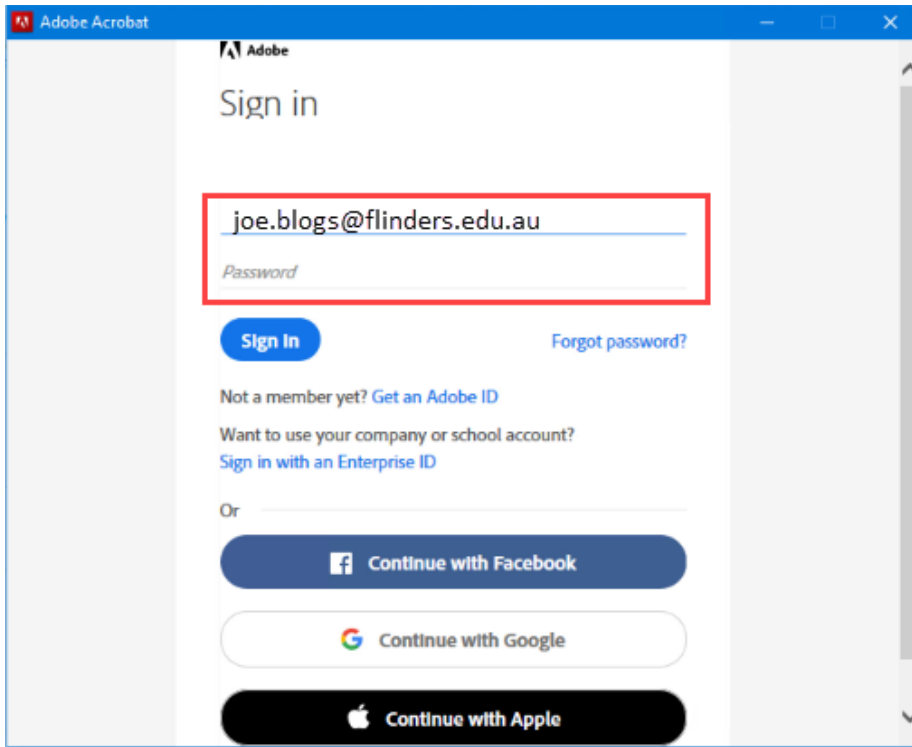

2. Select **Sign In** from the upper right-hand corner.

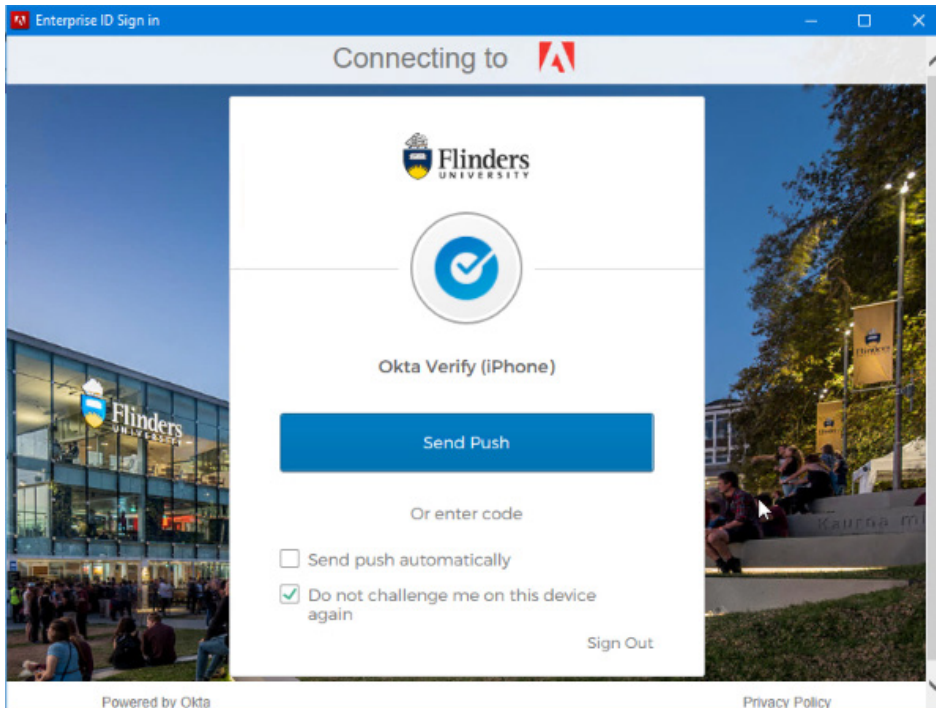

3. When prompted, select **Sign In**.

4. When prompted to sign in, enter your Flinders email address in the format firstname.secondname@flinders.edu.au. Selecting the password field will automatically redirect you to the next screen.

5.  When prompted to Choose an account for your email address, select **Enterprise ID**

6.  You will be redirected to Okta for authentication. Login as usual and if prompted for multi factor authentication, authenticate using your prefered method.

7.  Adobe Acrobat Professional will now be signed in as you.
