Inspire is not automatically assigned to Okta dashboard. Please follow the below steps to add it to your Okta dashboard:

1. Open OKTA dashboard.
2. Click **Add apps** option on the left-hand side of the screen.

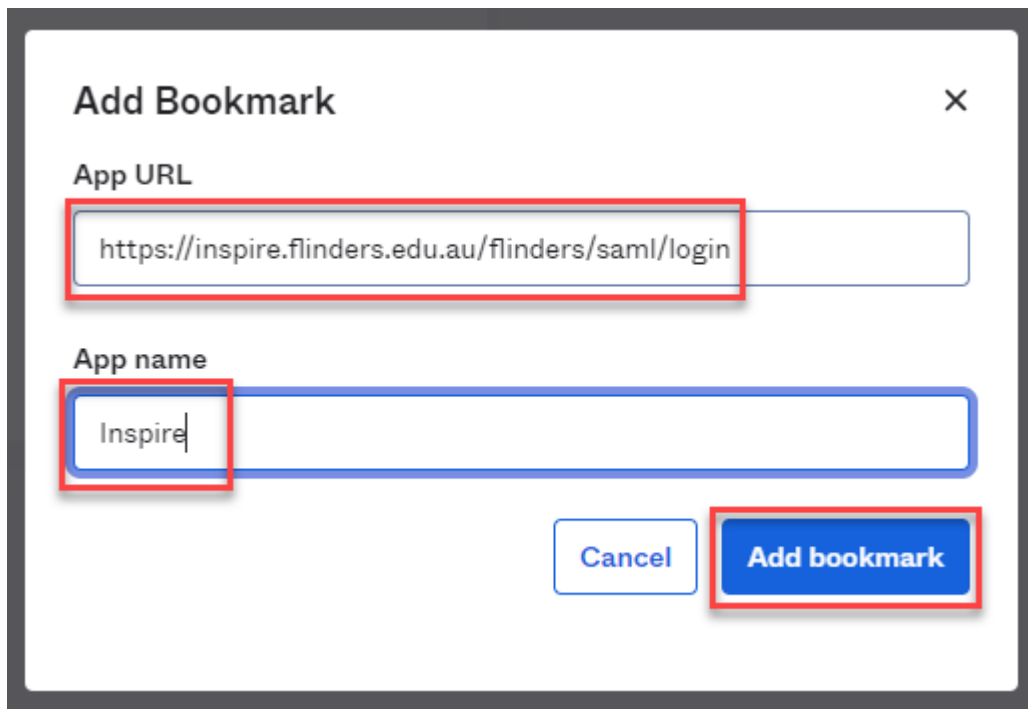

3. Type up 'ocf' in the **App Catalog** box.
4. You will see a message 'We couldn't find this app' and below a blue button **Add a bookmark instead**. Click on the blue button.

5. A new window **Add Bookmark** will open. Add the following information:

- **App URL**: https://inspire.flinders.edu.au/flinders/saml/login
- **App name**: Inspire.

6. Then click **Add bookmark**.

7. Now you will see **Inspire** added to your Okta dashboard.
8. Click the Inspire chiclet to access the system.

Please visit the Inspire webpage for more information about the system.
